Application Questions

Open to healthcare providers from organisations actively engaged in digital transformation. Questions marked with an asterisk (*) are mandatory.

Learn more and apply at:

https://www.himss.org/event-digital-champions-himss25-europe

The questions we ask:

- What type of healthcare facility is your place of work?*
- How many facilities are there in your organization's "group"?*
- How many beds does your facility have?*
- Have you considered using any HIMSS Maturity Models as tools to assess and plan your digitalization path?*
- Which HIMSS Maturity Model(s) have you considered?
- How would you rate (subjectively) the readiness of your facility's IT infrastructure for digital health transformation?*
- How would you rate (subjectively) your facility's level of digital maturity from an electronic patient record perspective?*
- What is your facility's EPR status today?*
- If your facility has an EPR, which is it?
- Would your facility be happy working as a partner to develop functionality, market readiness, piloting?*
- What are your facility's primary digital transformation priorities for the next 2–3 years?
- Which clinical areas are the primary focus of your digital transformation efforts?
- What of these has your facility implemented or is actively considering?
- How would you describe your split of server/compute between on-premise vs cloud?*
- Are you aware of any of these partners helping to deliver for your facility?
- What are the top challenges your facility aims to address with digital solutions?
- Can you share 1-2 sentences that describe your facility's digitalization strategy or specific achievements you would like to highlight?*
- How would you describe your personal scope of decision making?*
- What is your personal area of responsibility?

DCP Regulatory Compliance Questions

- I have reviewed my organization's anti-bribery and corruption policy and to the best of my understanding, my participation in this program would be compatible with that policy.*
- Status of employer-facility?*
- Scope of application - HIMSS is offering successful applicants €750 travel support plus a full complimentary conference pass. For compliance reasons, we will pay the €750 to your employer and you will claim your travel from them in the usual way. If this sounds too complicated, you can request a complimentary conference pass only but if you are accepted onto the programme with this option, you will still be committing to attend an entire sponsor- supported half-day during the conference.*
- Leadership sponsor contact details*

- Finance contact details*
